

Polish Association for Computational Mechanics
and
the Scientific Committee of the PCM-CMM-2015 Congress

hereby grant

JAN SZMELTER AWARD

to

Richard Oswald

from

Technical University Dortmund, Germany

for the best research paper

entitled

**A framework for the simulation
of phase-transforming elasto-plastic SMA
and TRIP steel polycrystals**

presented by a Foreign young author

during the

PCM-CMM-2015 CONGRESS

a joint scientific event of

the 3rd Polish Congress of Mechanics (PCM)

and the 21st International Conference on Computer Methods in Mechanics (CMM)

held from **September 8th to September 11th, 2015**

in **Gdańsk, Poland**
